

MEMORANDUM OF UNDERSTANDING

Date:04/10/2024

"**St. Joseph's College of Engineering** is proud to sign an MOU with **Vaayusastra Aerospace**, an IIT-incubated startup. Vaayusastra Aerospace is an Ed-Tech and educational research startup in the aeronautics and aerospace domain. The company, incorporated in 2018, is recognized by Startup India (DIPP & DPIIT) and has graduated from IIT Madras's Incubation Cell & RTBi (Rural Technology Business Incubator). It is also a recognized space tutor of ISRO."
