

## Event Report: Placement Talk by Elite Alumni

**Event Title:** Core Dreams to Core Reality

**Date:** September 23, 2024

**Time:** 1:00 PM - 3:00 PM

**Venue:** AV hall, Central Library

**Resource Person:** Mr. Hariram Kumar S, SoC Design Engineer, Intel Technology India Pvt. Ltd., Bengaluru

**Participants:** 190 Students

---

### Overview:

On September 23, 2024, a transformative placement talk titled "Core Dreams to Core Reality" was held, featuring esteemed alumnus Mr. Hariram Kumar S, a SoC Design Engineer at Intel Technology India Pvt. Ltd. The event saw an enthusiastic turnout of 190 students eager to gain insights into the engineering industry.

### Session Highlights:

Mr. Hariram Kumar shared his professional journey, highlighting the key milestones that shaped his career. His narrative served as an inspiration, urging students to prioritize skill development and industry readiness. He emphasized the significance of possessing a strong foundation in technical knowledge, which he identified as crucial for success in core Electronic and Communication Engineering (ECE) sectors.

Key points covered during the session included:

- **Challenges and Opportunities:** Mr. Kumar elaborated on the dynamic landscape of core ECE companies, detailing both the challenges faced by engineers and the vast opportunities available in the industry.
- **Skill Development:** He stressed the importance of continuous learning and skill enhancement, encouraging students to engage in practical projects and internships to bolster their resumes.
- **Industry Readiness:** Practical guidance was offered on navigating the engineering landscape, including tips on networking, preparing for interviews, and adapting to industry trends.

### Outcomes:

The session successfully inspired students to refocus their efforts on developing relevant skills and becoming industry-ready. Mr. Kumar's real-world insights provided clarity on the expectations of employers in the core engineering field. Many participants expressed newfound motivation to take proactive steps in their career preparation.

**Conclusion:**

The placement talk concluded with a Q&A session, where students engaged with Mr. Kumar, seeking advice on specific career paths and skills. Overall, the event was a significant step towards bridging the gap between academic learning and industry expectations, empowering students to transform their core dreams into reality.
