Event Report

Placement Talk by Elite Alumni Mr. Lourdes Dinesh

Event Details:

- **Speaker:** Mr. Lourdes Dinesh, Senior Software Engineer, Eka Care
- **Date and Time:** 20th July, 1:00 P.M - 3:00 P.M
- **Venue:** AV Hall, Library
- **Topic:** "Cracking a Programming Interview"
- **Participants:** 180 students from the 2021-2025 batch

Overview:

On the 20th of July, Mr. Lourdes Dinesh, an esteemed alumnus and Senior Software Engineer at Eka Care, delivered an insightful talk on "Cracking a Programming Interview." The event was held at the AV Hall in the Library from 1:00 P.M to 3:00 P.M and saw enthusiastic participation from 180 students of the 2021-2025 batch.

Key Highlights:

Mr. Dinesh, drawing from his extensive experience in the software industry, shared valuable insights into the intricacies of programming interviews. He covered a range of topics, including:

- **Understanding Common Interview Formats:** Emphasis on different types of programming interviews such as online coding tests, technical phone screens, and in-person interviews.
- **Preparation Strategies:** Detailed guidance on how to prepare for coding interviews, including studying data structures, algorithms, and problem-solving techniques.
- **Practical Tips:** Advice on handling interview questions, time management, and the importance of clear communication.
- **Real-life Examples:** Sharing personal experiences and challenges faced during his own interview processes, providing a realistic perspective to the students.

Student Feedback:

The event was well-received, with students appreciating the practical tips and strategies shared by Mr. Dinesh. The feedback highlighted the relevance of the session and the clarity with which complex topics were explained. Many students expressed that the talk significantly boosted their confidence and provided a clear roadmap for their interview preparations.

Conclusion:

The placement talk by Mr. Lourdes Dinesh was a resounding success, offering students a wealth of knowledge and practical advice on acing programming interviews. The enthusiastic participation and positive feedback underscore the value of such events in enhancing the career readiness of our students.
